GAS MIXER TRAINING SEMINAR

Seminar Date May 15, 2012

Thermco will offer a one day training seminar for gas mixers and gas analyzers. The seminar will offer a hands-on opportunity for technicians to learn about installation and maintenance of Thermco gas mixers. This seminar will be conducted at our new manufacturing facility in La Porte, Indiana. Seminar topics will include:

- Theory of Operation, Installation, Normal Running Conditions, Troubleshooting, Analyzer Calibration, Preventative Maintenance

The seminar will start at 8:00 am and end at 3:30 pm. Lunch will be provided by Thermco.

There is a \$120.00 charge for the seminar. A training manual is included with the seminar. Payment or a purchase order must be received at least one week before the seminar to reserve a training position. VISA, MasterCard and American Express are accepted. Cancellations with full refunds may be made up to one week prior to the course. Refunds are not made thereafter.

Participants should make their own motel arrangements. The following motels are available in the area: La Porte is 6 miles south of Thermco and New Buffalo is 7 miles north of Thermco. The Hampton Inn is the closest motel, located 3 miles south of Thermco at the Toll Road (I-80/90) La Porte exit, Exit 49.

Table with 4 columns: Motel Name, Location, Phone, Fax. Includes Holiday Inn Express, Hampton Inn, and Best Western.

If you expect to fly into the seminar, the closest airport is South Bend Regional Airport. The airport is approximately 30 minutes east of Thermco's plant.

The number of participants for this seminar will be limited, so please register as soon as possible if you plan to attend. Please return this form and direct questions to Rayna Ellis as listed below. Confirmation of this registration will be sent to you if received at least 2 weeks prior to the seminar date. You will be contacted in the case that our registrations are fully booked.
